TERMS AND CONDITION

- Startup is the foundation of business education and the attempt to use ideas to solve societal problems and transform those ideas into a firm. DASC UK Startup is an entrepreneurial e-internship programme that may assist you in startup.

- The student must have previous sales experience with an existing DASC UK company. If you already possess sales expertise or have worked in a sales-related position, you may qualify for an exemption.

- The aviation sector's startups must concentrate on sales and marketing.

- Student must choose startup name and be able to create own logo or use service to create logo.

- The student must promote themselves in public as a new business or organisation.

- To keep their business alive, students need to have at least the bare minimum of finances.

- Any unlawful conduct, including fraud, scams, and others, must not be engaged in by students. Responsible for all lawful and ethical business conduct is a student or startup owner.

- The reputation of the student and cautious utilisation of the assets and intellectual property of DASC UK are required.

- The student must only use the firm name, logo, and email address for legitimate business purposes; any unauthorised usage will result in severe repercussions.

- The student must consent to the use of images, a logo, a video, or any other type of marketing content on the DASC UK website and social media.

- For any type of activity, the student is responsible for obtaining the necessary legal licences in their home country. DASC UK is not liable for obtaining any such permissions.

- According to the Dasc policy guidelines, students must abide by the company's startup programme policies.

- If a student wants to enrol in a DASC e-Internship after completing their course, they may. He or she must cover all associated costs for the internship, choose a startup as their employer, and adhere to the requirements set out by Dasc UK for entrepreneurial internships.

☐ I have read and agree to the terms and conditions and privacy policy.
